AWARDS

2021 17th place Southwestern Europe Regional Contest (SWERC)

2020 1st place XVIII Murcia's Olympiad in Informatics

2020 18th place Southwestern Europe Regional Contest (SWERC)

2019 1st place I Ada Byron Murcia Programming

2019 1st place XVII Murcia's Olympiad in Informatics

2019 3rd place Codecamp 2019 CyberSecurity Hackathon

2017 1st place X Murcia's Regional Olympiad in Informatics (high school)

LANGUAGES

Spanish. Native.

English. Cambridge Certificate in Advanced English with grade 203/210.

ABOUT ME

I am a Mathematics and Computer Science students with a passion for solving complex problems and building systems. I am currently looking for a summer internship to try some career paths. I am interested in positions that are intellectually demanding and have a positive impact on others' lives.

In my free time I enjoy competing in programming contests and exercising. Some other non technical interests of mine are philosophy, psychology and personal development.
